Personal Reference for Eliran Penkar

Dear sir or madam,

It is with sincerity and confidence that I write this letter for Eliran Penkar. Eliran is a fine young man whom I have known for the last three years at William Aberhart High School. I had the pleasure of teaching Eliran Social Studies 33 in his grade twelve year. Eliran is a reliable, passionate, industrious, and confident student.

Eliran is involved in numerous activities at William Aberhart. His teachers speak highly of him and he is well respected by his peers. In particular, Eliran is heavily involved with the Sports Medicine program where he has devoted countless hours to our athletics program. Eliran has provided guidance to over 120 young trainers at Aberhart. In recognition of his remarkable contributions, Eliran was recognized as last year's "Trainer of the Year".

Eliran is an industrious and creative student. He is determined to always do his best and contributes positively to the classroom environment. He has excellent inter-personal skills and works well in groups. He is knowledgeable about our world and has many diverse life experiences that have shaped his perspectives.

Eliran has worked hard and has overcome many obstacles that others perhaps would have found too difficult. He has developed a very strong character and has accomplished a lot for a young man. His qualities will continue to serve himself and our communities well.

Sincerely,

Michael Beland
