To Whom It May Concern:

It is my pleasure to provide a reference letter for Eliran Penkar whom I have known since September 2006. It is commendable that despite some personal hardships, Eliran has completed his entire high school program at William Aberhart high School. He is known by his teachers and peers as a personable and conscientious student who works very hard to achieve his goals.

Academically, Eliran has set high expectations for himself. His effort and attitude enables him to earn credits in the subject areas he has chosen in order to obtain the requisite courses/marks for post secondary admission. As well, Eliran has a very good attendance record even though, due to personal circumstances, he has held down some responsible, paying jobs.

Should you have any questions, please contact me at: jledmonds@cbe.ab.ca.

Sincerely,

A handwritten signature in cursive script that reads "Janice L. Edmonds".
